Meeetaaal...

I sign, a contract with the devil.
I tried, for so very long.
I die, to become immortal.
That's why, I sing this song!

Am I a wannabe?
Have I no dignity?
who gave up all my life to be...

in the Book of Heavy Metal?
Aaaoh..!
in the Book of Heavy Metal!
Aaaoh..!

In life, I have no religion,
besides, the heavy metal Gods!
were nothing, but black skin-tight leather
my skin, is clad with metal studs!

Am I a wannabe?
Have I no dignity?
I give up all my life to be...

in the Book of Heavy Metal?
Aaaoh..!
in the Book of Heavy Metal!
Aaaoh..!

"some twenty years ago,
the gods put down their feet.
So far in to the ground
that the man of sword 'nor ended.
Could never change your rules upon which
the very fundament of metal was made!"

-solo-

Read all about it,
in the Book of Heavy Metal!

Read all about it,
in the Metalian!
Read all about it,
in the Book of Heavy Metal!
Read all about it,
just read it!

Don't need no flashy house,
no car or ugly wife.
The only thing I want,
is what my parents don't.
Need no wide screen TV
knowing no honesty,
the only thing I want to be...

"To be or not to be"

in the Book of Heavy Metal!
Aaaohh..!

In the Book of Heavy Metal!
Aaaohh..!

In the Book of Heavy Metal!
In life...
Aaaohh..!

In the Book of Heavy Metal!
to death...
Aaaohh..!

In the Book of Heavy Metal!
I sign,
a contract with the devil!

in the Book of Heavy Metal!
I like,
to become a star!

In the book of Heavy Metal!
I die,
to become immortal!

In the book of Heavy Metal!
Thats why,
I play the guitar!

In the book of Heavy Metal!
Aaaohh..!

In the book of Heavy Metal!

Aaaoh..!

In the book of Heavy Metal!
Aaaoh..!

In the book of Heavy Metal!
Aaaoh..!

In the book of Heavy Metal!
Aaaoh..!

[note: this tab is in no way the official tab. I made it
while listening to the song.
Please have patience in me. //Ogrrr]
