[Lead - AR]

What EVIL OMEN, what GRISLY FATE,  
Came a-crawlin' DOWN that that ROAD  
And BLACKENED your DAY?  
What ILL-WILL-WIND came blowin'  
straight into your FACE?  
Well, now we know WHO's the one to BLAME

But the DAY will come and it ain't that FAR  
Time will CLEAN your WOUNDS  
Time will HEAL your SCARS

I don't KNOW how LOW  
I can GO just to make you MINE  
But I KNOW that you KNOW  
That in the END it will be ALRIGHT

[Lead - MV]

The DAY is coming, that day is CLOSE  
Someone's gonna make me PAY  
And RIGHT all the WRONGS!  
You've heard it ALL before but NOW it's for REAL  
In the END you will be FREE  
once you're RID of ME

Ans the DAY will come and it ain't that FAR  
Time will CLEAN your WOUNDS  
Time will HEAL your SCARS  
I don't KNOW how LOW  
I can GO just to make you MINE  
But I KNOW that you KNOW  
That in the END it will be ALRIGHT

It's gonna be ALRIGHT.  
And let me tell you: That'll be THE DAY.

[Lead - AR - MV - AR - MV]

I don't KNOW how LOW  
I can GO just to make you MINE  
But I KNOW that you KNOW  
That in the END it will be ALRIGHT  
Yeah, I KNOW that you KNOW  
That in the END it will be Alright  
Alright, Alright. ALRIGHT  
Everything's gonna turn out FINE

It's gonna be ALRIGHT.  
I assure you: It's gonna turn out FINE  
And let me tell you: That'll be THE DAY.
