Woe to thee... Children of the Night
Hear the sweetest music playing in your mind?
Who hath "The Understanding"?
Who knows "The Final Truth"?
Couldn't care much less no more...
So go and waste your youth

'Cause some were born to win and some they live to

Some live like they were kings but they are only fools!

Dropped you down at a Dead-End Station to your Living

Can you see the light at the end of your tunnel?
Or at the end of your rainbow...
Is there a treasure there at all?

'Cause some were born to win and some they live to
lose!
Some live just by their will while some are slaves for
rules!
(no rules)
But there's one thing you can't choose...
Got the Sanguinary Blues!

And what about those scars in your arms?
Go on - Come now - Just do it, son!!!

'Cause some were born to win and some they live to
lose!
Some live like they were kings but they are only fools!
(you lose)
Yet this one thing you can't choose...
Got the Sanguinary Blues!
