Back from a furious  
slaughter in pain

Trapped in this universe  
completely insane

No more confusion  
inside his head  
Traveled through darkest hell

He's back from the dead  
straight back from hell

His mission is obvious  
evil and plain  
Destruction for all of us  
for his own gain

No absolution  
from terror and dread  
Nowhere to hide from him

He's back from the dead  
straight back from hell  
Maybe we're strong enough  
to fight against his rage  
Maybe we're strong enough  
to live and tell the tale

He's back from the dead  
straight back from hell  
He's back from the dead  
straight back from hell  
(Solo)  
He's back from the dead  
straight back from hell  
He's back from the dead  
straight back from hell  
Back from the dead  
Straight back from hell  
Back from the dead  
Straight back from hell

Back from the dead  
Straight back from hell  
Back from the dead  
(fade out)
