"Constant Motion"

Visit "[Constant Motion](#)" on MotoLyrics.com

Tunnel vision at blinding speed
Controlling my thoughts, obsessing me
Void of any uncertainty
Throughout my very soul

Lost illusions of my control
Resisting all hope of letting go
Racing impulse of dark desire
Drives me through the night

I try to shut it down
It leaves me in the dust
No matter what I've found
I can never get enough

Frantic actions of insanity
Impulsive laced profanity
Long for elusive serenity
Way out of my control

Traveling through both space and time
(Out of body, out of mind)
Out of control
My wheels in constant motion

Spinning round and round it goes
(I can't let up, I can't let go)
Can't stop this flame from burning
Forever more
Into the night
Blistering

Focus here, focus there
Cannot see the light
(Falling down through the night)
Sprawling everywhere

Searching left, searching right
(Panic setting in, I can no longer fight)
When will this end?

Accelerate, dislocate
(Set to crash and burn, haven't got time to waste)
Not planning to return

Aggravate, agitate
(When will I ever learn?)
There's no way out of here
Nowhere to turn

Obsessive yearning
Compulsive burning
Still never learning
Insane random thoughts of neat disorder

Scattered wasteland surrounding me
Tattered memories of what used to be

Apocalyptic mind debris
Until we meet again
Uhh!

Traveling through both space and time
(Out of body, out of mind)
Out of control
My wheels in constant motion

Spinning round and round it goes
(I can't let up, I can't let go)
Can't stop this flame from burning
Forever more
Into the night
Blistering

Traveling through both space and time
(Out of body, out of mind)
Out of control
My wheels in constant motion

Spinning round and round it goes
(I can't let up, I can't let go)
Can't stop this flame from burning
Can't stop the wheels from turning

Traveling through both space and time
(You get yours, and I got mine)
Out of control
My wheels in constant motion

Spinning round and round it goes
(I can't let up, I can't let go)
Can't stop this flame from burning

Forever more
Into the night
Blistering
