Who's come to slay the dragon,  
Come to watch him fall?  
Making arrows out of pointed words,  
Giant killers at the call?  
Too much contradiction,  
Too much contradiction and confusion.  
Peel away the mystery,  
Here's a clue to some real motivation.

All there really is,  
The two of us,  
And we both know why we've come along.  
Nothing to explain,  
It's a part of us  
To be found within a song.

What happened to our innocence,  
Did it go out of style?  
Along with our naivete',  
No longer a child.  
Different eyes see different things,  
Different hearts beat on different strings.  
But there are times  
For you and me, when all such things agree.

All there really is,  
The two of us,  
And we both know why we've come along.  
Nothing to explain,  
It's a part of us  
To be found within a song.
