So many nights I lie alone  
Wishin' that you were on the phone  
So I could tell you things  
I never share with anyone

I never felt like this before  
Wishing and hoping, wantin' more  
And now my wits are lost  
And you have conquered all my thoughts

So now I'm thinkin' that I'd never fall in love  
'Cause you're the only one I'm dreaming of

With one look in your eyes and one taste of your kiss  
And suddenly I knew I've fallen for you  
There's nothin' I can say, nothin' I can do  
I've fallen for you, oh baby, I've fallen for you

It's amazin' the way you make me feel  
I wonder if everythin' is real  
My world is spinnin' round so fast  
That I can barely speak

The way that you look, the way you walk  
There's somethin' about the way you talk  
It's as if your voice is  
Like an angel calling out to me

And now I'm thinkin' that I've finally fell in love  
'Cause you're the only one I'm dreaming of

With one look in your eyes and one taste of your kiss  
And suddenly I knew I've fallen for you  
There's nothin' I can say, nothin' I can do  
I've fallen for you, oh baby, I've fallen for you

With one look in your eyes and one taste of your kiss  
And suddenly I knew I've fallen for you  
There's nothin' I can say, nothin' I can do  
I've fallen for you, oh baby, I've fallen for you

With one look in your eyes and one taste of your kiss

And suddenly I knew I've fallen for you  
There's nothin' I can say, nothin' I can do  
I've fallen for you, oh baby, I've fallen for you
