London - 1/31/95)  
(From the "A Change Of Seasons" EP)  
- Elton John and Bernie Taupin  
(from the album "Goodbye Yellow Brick Road")

The roses in the window box  
Have tilted to one side  
Everything about this house  
Is gonna grow and die

Well it doesn't seem a year ago  
To this very day  
You said sorry honey  
If I don't change the pace  
I can't face another day

[Chorus:]

And love lies bleeding in my hand  
Oh it kills me to think of you with another man  
I was playing rock and roll and you were just a fan  
When my guitar couldn't hold you  
So I split the band  
Love lies bleeding in my hands

I wonder if those changes  
Have left a scar on you  
All the burning hoops of fire  
That you and I passed through

You're a bluebird on a telegraph line  
I hope you're happy now  
While if the wind of change coming down your way girl  
You'll make it back somehow

[Chorus]

[Chorus]

Love lies bleeding in my hands
