Napalm showers
Showed the cowards
We weren't there to mess around
Through heat exhaustion
And mind distortion
A military victory mounted on innocent ground
Hearing voices from miles away
Saying things never said
Seeing shadows in the light of the day
Waging a war inside my head
Years and years of
Bloodshed and warfare
Our mission was only to get in and kill
A free vacation
Of palmtrees and shrapnel
Trading innocence for permanent psychotic hell
Hearing voices from miles away
Saying things never said
Seeing shadows in the light of the day
Waging a war inside my head
Feeling strangers staring my way
Reading minds never read
Tasting danger with each word I say
Waging the war inside my head
