Can you hear the music playin'?  
Can you feel the rhythm swayin'?  
This is the sound of dreams come true,  
And I can promise you that,

You are the one and only,  
And I'm the lost and lonely,  
We are the perfect dream come true,  
And I can promise you that,  
I can hear a silly love song in my heart..

It happens everytime,  
When I see you,  
It happens everytime,  
When I think of you,  
It happens everytime,  
Always magic when we meet,  
Baby, down on DreamStreet

Let me take you by the hand and,  
Walk you down the Milky Way cause,  
You make me feel I'm so alive,  
Oh, I promise baby I can hear a silly love song in my  
heart..

It happens everytime,  
When I see you,  
It happens everytime,  
When I think of you,  
It happens everytime,  
Always magic when we meet,  
Baby, down on DreamStreet

It happens everytime

Baby

It happens everytime  
Always magic when we meet

(Jesse's solo)  
Down on DreamStreet

When I close my eyes,  
There's angels all around

Singing a love song

Think of it happenin' everytime

When I see you

Ohh it happens everytime

Oh oh, ohhh

It happens everytime,  
When I see you,  
It happens everytime,  
When I think of you,  
It happens everytime,  
Always magic when we meet,  
Baby, down on DreamStreet

It Happens everytime

Baby, ohh

It happens everytime  
Always magic when we meet

Down on DreamStreet
