Ooh, yeah, yeah, baby

Been there, done that
One time too many, yeah
This time I'm hoping
That you won't come back to me, Jenny

Oh, when you get lonely, girl
And you come on so sweet, yeah
Things get better, baby
You start to retreat

Jennifer, goodbye
(Goodbye)
Don't wanna figure out why anymore
(No more)

Don't wanna be your fallback guy
(Bye, bye)
I'm gonna take care of me
(Jennifer, goodbye)
Yeah

There's been many nights
When the pain was so strong
(What could I do now?)
And I waited for your call
All night long
(Waiting for you now)

Then you'd come, come back girl
(Ooh)
With that look in your eyes
(Ooh)
And I'd always forgive you, baby
(Ooh)
When you'd apologize

Jennifer goodbye
(Goodbye)
Don't wanna figure out why anymore
(No more)

Don't wanna be your fall back guy
(Bye, bye)
I'm gonna take care of me, yeah, yeah

Lessons get learned the hard way, I guess
Each time you'd walk away girl, I was a mess
(Jennifer, goodbye)
Crying the night away, I must confess

I thought that you cared
(Ooh)
But you couldn't care less
(Goodbye, goodbye)

Jennifer, goodbye
(Goodbye)
Dont' wanna figure out why anymore
(No more)

Don't wanna be your fall back guy
(Bye, bye)
I'm gonna take care of me
(Jennifer, goodbye)

Don't come around with all your charms
(Goodbye)
Not gonna let you in my arms
(No more)

And this time will be different you'll, you'll see
(Bye, bye)
I'm gonna take care of me
(Jennifer, goodbye)

I'm gonna take care of me
(Jennifer)
I'm gonna take care of me
