Wanna rock you steady baby,
Come on now lets go crazy,
You know the time is right,
So lets get funky tonight.
Everybody's letting go now,
Its time to start the show now,
Get ready, hold on tight,
And lets get funky tonight.
Feel the temperature start to rise,
Its electric and we get together,
See the love shinin' in you eyes,
I wish tonight, could last forever,
Turn down the lights,
And feel the rythm,
Ill give you everything,
Ill take you to heaven.
Wanna rock you steady baby,
Come on now lets go crazy,
You know the time is right,
So lets get funky tonight.
Everybody's letting go now,
Its time to start the show now,
Get ready, hold on tight,
And lets get funky tonight.
(Get funky)
(Get funky tonight)
(Get funky)
The time has come,
Baby lets not wait,
Cuz this feeling's gonna take you over,
We found each other so lets celebrate,
And don't be afraid now,
Move in closer.
You turn me on,
My souls on fire,
You are my everything,
My one desire.
Wanna rock you steady baby,
Come on now lets go crazy,
You know the time is right,
So lets get funky tonight.
Everybody's letting go now,

Its time to start the show now,
Get ready, hold on tight,
And lets get funky tonight.
Make you wanna shout,
Make you wanna scream.
Gonna make it last,
Gonna give you everything.
Make your body sweat,
Make you feel so right.
Are you ready, steady baby?
Lets get funky tonight!
Wanna rock you steady baby,
Come on now lets go crazy,
You know the time is right,
So lets get funky tonight.
Everybody's letting go now,
Its time to start the show now,
Get ready, hold on tight,
And lets get funky tonight.

Wanna rock you steady baby,
Come on now lets go crazy,
You know the time is right,
So lets get funky tonight.
Everybody's letting go now,
Its time to start the show now,
Get ready, hold on tight,
And lets get funky tonight.
Wanna rock you steady baby,
Come on now lets go crazy,
You know the time is right,
So lets get funky tonight.
Everybody's letting go now,
Its time to start the show now,
Get ready, hold on tight,
And lets get funky tonight
