It was an April morning  
When they told us we should go  
And as I turned to you  
You smiled at me  
How could they say no?

All the fun to have  
To live the dreams we always had  
Oh the songs to sing  
When we at last return again, yeah

Sending off a glancing kiss  
To those who claim they know  
Know the streets a seaman he's  
The devil in his hole

Oh to sail away  
Sailing lands and other days  
Oh to touch the dream  
Hides inside and never seen, yeah

Into the sun the south the north  
Lies the first of hope  
Shackles of commitments fell  
In pieces on the ground

To tread the air above the din  
Oh to laugh aloud  
Dancing as we fought the crowd, yeah

To seek the man whose pointing hand  
The giant step unfolds  
With guidance from the curving path  
That churns up into stone

If one bell should ring  
In celebration for a king  
So fast the heart should beat  
As proud the head with heavy feet, yeah

lii. "The Song Remains The Same"  
- Jimmy Page and Robert Plant  
(Led Zeppelin - from the album "Houses Of The Holy")

Oh, yeah  
Here we go  
Wanted to know, oh

Sing out Hare, Hare, oh  
Dance the Hoochie Koo  
The city lights oh so bright,  
As we go sliding, sliding, sliding, sliding through.
