Lyrics by john petrucci

Nicholas:

Where did we come from?

Why are we here?

Where do we go when we die?

What lies beyond

And what lay before?

Is anything certain in life?

They say, "life is too short,"

"the here and the now"

And "you're only given one shot"

But could there be more,

Have I lived before,

Or could this be all that we've got?

If I die tomorrow

I'd be allright

Because I believe

That after we're gone

The spirit carries on

I used to be frightened of dying

I used to think death was the end

But that was before

I'm not scared anymore

I know that my soul will transcend

I may never find all the answers

I may never understand why

I may never prove

What I know to be true

But I know that I still have to try

If I die tomorrow

I'd be allright

Because I believe

That after we're gone

The spirit carries on

Victoria:

"move on, be brave  
Don't weep at my grave  
Because I am no longer here  
But please never let  
Your memory of me disappear"

Nicholas:

Safe in the light that surrounds me  
Free of the fear and the pain  
My questioning mind  
Has helped me to find  
The meaning in my life again  
Victoria's real  
I finally feel  
At peace with the girl in my dreams  
And now that I'm here  
It's perfectly clear  
I found out what all of this means

If I die tomorrow  
I'd be alright  
Because I believe  
That after we're gone  
The spirit carries on

Hypnotherapist:

"you are once again surrounded by a brilliant white  
light. allow the light to lead you away from your past  
and into this lifetime. as the light dissipates you will  
slowly fade back into con  
Sness remembering all you have learned. when I tell  
you to open your eyes you will return to the present,  
feeling peaceful and refreshed. open your eyes,  
nicholas."
