Oh, they don't understand
No oh, mmm mmm uh oh

They say, we're just playin' games
That it isn't real but its what we feel, oh yeah
And they say, it doesn't make sense
That we're just wastin' time
(Uh)
And they wonder why, yeah

You know we got, our own special language
That only we can speak, ooh oh yeah
And no one else knows what it means, oh no

They don't understand, how we communicate
Oh so many things, that we do and say
They don't really get, what its all about
No they never can understand
Oh, oh oh, oh oh oh

I can't explain, if they don't know why
this is serious, when i tear it, why can't they see
that all of its truit just goes to prove
(Uh)
They don't have a clue, no no

Ya know we got our own world to live in, yeah
(We've got our own world)
And we're so far apart
(Oh oh) o
Oh yes we are
To make it clear I don't know where to start, oh no

They don't understand, how we communicate
Oh so many things, that we do and say
(That we do)
They don't really get, what it's all about
(What it's about)
No they never can understand
No, understand, oh, ooh ooh, yeah yeah yeah

Ya know we got

(We got)
Our own special language
(Own special language)
That only we can speak
(Yeah yeah yeah)
Oh yes, yeah yeah yeah
And only we know what it means
(What it means)
What it means
(Ooh)

They don't understand, how we communicate
(Oh)
Oh so many things
(So many things we have to do or say)
That we do and say
They don't really get
(Oh oh oh)
What it's all about
(What it's all about)
No they never can understand
(Understand)

They don't understand,
(They don't)
How we communicate
(How we communicate)
Oh so many things, that we do and say
(That we do or we say)
They don't really get
(Oh)
What it's all about
(What it's all about)
No they never can understand
