Verse1:

Ooooooh..

I never thought that I could miss  
The touch of your hand or just one kiss.  
I never meant to say it's over...  
I was a fool to hurt you so  
I had it all and didn't know  
But I still believe we can be in love again.

Chorus:

This time i'm gonna find a way  
To hold onto the love that I thought we'd lost forever.  
This time i'll find the words to say  
To make it better  
Lets stay together this time

Verse2:

Ooh Whoa Ooh Whoa..  
I kept my emotions locked inside  
Only to watch love pass me by  
But i've had time to think it over..  
My lonely heart has seen the light  
To give me the chance to make it right  
And I pray i'll see the day when you return

Chorus:

This time i'm gonna find a way  
To hold onto the love that I thought we'd lost forever  
This time i'll find the words to say  
To make it better  
Lets stay together this time

Bridge:

Please don't say goodbye (Couldnt de--cide)  
We can keep our dream alive  
If we try...(If we..this time)  
Oh baby this time

Chorus:

This time i'm gonna find a way  
To hold onto the love that I thought we'd lost forever  
This time i'll find the words to say

To make it better  
Lets stay together this tiiiime  
This time i'm gonna find a way  
To hold onto the love that we thought we'd lost forever  
(I'm holdin on..holdin on yeah Yeah...)  
This time i'll find the words to say...  
To make it better  
Lets stay together this time
