Upside down

My grades are down
From As to Bs.
I'm way behind
In history.
I've lost myself
in fantasies
Of you and me together.

I don't know why
but dreaming's all I do.
I won't get by
On mere imagination.

Upside down,
bouncing off the ceiling.
Inside out,
Stranger to this feeling.
One won't do,
what I should do.
And I've gone crazy if I can't get next to you.
(To you.)

My king, she says
to concentrate.
So what? His name
was Peter the Great.
Your king and queens
will have to wait,
'Cause I don't forever.

I wish that I
could walk right up to you.
Each time I try
The same old hesitation!

Upside down,
bouncing off the ceiling.

Inside out,
Stranger to this feeling.
One won't do,
what I should do.
And I've gone crazy if I can't get next to you.
(To you.)

Somehow, somehow,
You will love me, too.
Someday will be the day
When all my dreams come.

Yeah,Yeah,Yeah,Yeah.
Upside down,
bouncing off the ceiling.
Inside out,
Stranger to this feeling.
One won't do,
what I should do.
And I've gone crazy if I can't get next to you.

Upside down,
bouncing off the ceiling.
Inside out,
Stranger to this feeling.
One won't do,
what I should do.
And I've gone crazy if I can't get next to....
And I've gone crazy if I can't get next to....
And I've gone crazy if I can't get next to you.
