Distance can't stand in our way  
Cuz I'll just miss you and  
love you more each day  
And as i feel you close in my heart  
It makes it impossible for us to be apart

I close my eyes and you're by my side  
Staring at me with your beautiful eyes  
I can always be with you in my mind

Nothing can stand in our way,  
cuz we're in love  
I'm smiling more everyday,  
cuz we're in love  
Hold my heart it belongs to you  
Hold it forever I will be with you  
We're in love

And as I stare out my window  
at stars in the sky  
You're so far away but i'm still staring  
at the same sparkle of your eyes  
As we came to be you changed  
my world to just you and me  
You're all that I can see,  
all that I want and all that I need

Nothing can stand in our way,  
cuz we're in love  
I'm smiling more everyday,  
cuz we're in love  
Hold my heart it belongs to you  
Hold it forever I will be with you  
We're in love

I thank God I found you  
I'd give anything to be around you  
In my arms I'd never let you go  
Oh and every night away in my dreams  
We're together and I'm holding you tight

I close my eyes and you're by my side  
Staring at me with your beautiful eyes  
I can always be with you in my mind

Nothing can stand in our way,  
cuz we're in love  
I'm smiling more everyday,  
cuz we're in love  
Hold my heart it belongs to you  
Hold it forever I will be with you  
We're in love
