VII. The Crimson Sunset [20:12] I'm much wiser now A  
lifetime of memories run through my head They taught  
me how for better or worse, alive or dead I realize  
there's no turning back Life goes on the offbeaten  
track I sit down with my son Set to see the Crimson  
Sunset (Gather ye rosebuds while ye may) Many years  
have come and gone I've lived my life, but now must  
move on (Gather ye rosebuds while ye may) He's my  
only one Now that my time has come Now that my life is  
done We look into the sun 'Seize the day and don't you  
cry, Now it's time to say good-bye Even though I'll be  
gone, I will live on, live on.'
