Blackness awakens  
Visions come alive  
Seeing trough darkness  
With borrowed eyes

Death survivor  
Take me higher  
Reunite my soul

Whisperer of truth  
I trust in you  
To make me whole

Sun  
Come shine my way  
May healing waters bury all my pain

Wind  
Carry me home  
The fabric of reality is tearing apart  
The piece of me that died  
Will return  
To live again

Feeling myself slip away  
Suddenly dreaming awake

Hidden memories  
Flooding back

I will not grow in the light  
Until I pass trough the darkest caverns of my heart

Dance with fire  
Spirit guide erase the world outside

Messenger of truth  
I trust in you  
Transform me now

Sun  
Come shine my way

May healing waters bury all my pain

Wind  
Carry me home  
The fabric of reality is tearing apart  
The piece of me that died  
Will return  
To live again

And at last the time has come  
To unite again as one
