"Carpe Diem"

I'll always remember
The chill of November
The news of the fall
The sounds in the hall
The clock on the wall ticking away
"Seize the Day"
I heard him say
Life will not always be this way
Look around
Hear the sounds
Cherish your life while you're still around
We can learn from the past
But those days are gone
We can hope for the future
But there might not be one
The words stuck in my mind
alive from what I've heard
I have to seize the day
To home I returned
Preparing for her fight
I held with all my might
Fearing my deepest fright
She walked in to the night
She turned for one last look
She looked me in the eye
I said, "I Love You...Good-bye"
