### "It's Raining"

Under the sun, there is nothing to hide  
Under the moon, the stranger waits inside  
People disappear  
The music fades away  
Splashing through the rain  
I'll dream with them one day  
It's raining, raining  
On the streets of New York City  
It's raining, raining, raining deep in heaven  
I may have wasted all those years  
They're not worth their time in tears  
I may have spent too long in darkness  
In the warmth of my fears  
Take a look at yourself  
Not at anyone else  
And tell me what you see  
I know the air is cold  
I know the streets are cruel  
But I'll enjoy the ride today  
It's raining, raining  
On the streets of New York City  
It's raining, raining, raining deep in heaven  
I may have wasted all those years  
They're not worth their time in tears  
I may have spent too long in darkness  
In the warmth of my fears  
As I walk through all my myths  
Rising and sinking like the waves  
With my thoughts wrapped around me  
Through a trial of tears  
Hidden by disguise, stumbling in a world  
Feeling uninspired, he gets into his car  
Not within his eyes to see, open up, open up  
Not much better than the man you hate
