The smile of dawn arrived early May
She carried a gift from her home
The night shed a tear to tell her of fear
And of sorrow and pain she'll never outgrow

Death is the first dance, eternal
There's no more freedom
The both of you will be confined, yeah, to this mind

I was told there's a miracle for each day that I try
I was told there's a new love that's born for each one
that has died
I was told there'd be no one I call on when I feel alone
and afraid
I was told if you dream of the next world
You'll find yourself swimming in a lake of fire

As a child, I thought I could live without pain, without
sorrow
As a man I've found it's all caught up with me
I'm asleep yet I'm so afraid

Somewhere like a scene from a memory
There's a picture worth a thousand words
Eluding stares from the faces before me
It hides away and will never be heard of again

Deceit is the second [incomprehensible]
The city's cold blood teaches us to survive
Just keep your heart in my eyes and we'll stay alive
The third arrives

Before the leaves have fallen, before we lock the doors
There must be a third and last dance, this one will last
forever
Metropolis watches, thoughtfully smiles
She's taken you to your home

It can only take place
When the struggle between our children has ended
Now the miracle
The sleeper know that the third is love

Love is the dance of eternity
