Standing on the backs of angels  
Destined to create  
Mounting the attack  
While heroes carry your weight

We spiral towards disaster  
Survival fading faster

Riding out the wave  
Content to feed off the machine  
Bleeding us to death  
The new American dream

You're blinded by your hunger  
Beware, your days are numbered

Tears fall from the shameless  
Shelter me, guide me to the edge of the water  
Selfless are the righteous  
Burden me, lead me like a lamb to the slaughter

Blurring lines drawn in between  
What is right and what is wrong  
Victims on the radar  
Stringing us along

We're onto your agenda  
The dead end road to nowhere

Tears fall from the shameless  
Shelter me, guide me to the edge of the water  
Selfless are the righteous  
Burden me, lead me like a lamb to the slaughter

[solo]

Tears fall from the shameless  
Shelter me, guide me to the edge of the water  
Selfless are the righteous  
Burden me, lead me like a lamb to the slaughter

Selfless are the righteous

Burden me, lead me like a lamb to the slaughter
