Lost in the sky  
Clouds roll by and I roll with them  
Arrows fly  
Seas increase and then fall again

This world is spinning around me  
This world is spinning without me  
And every day sends future to past  
Every breath leaves one less to my last

Watch the sparrow falling  
Gives new meaning to it all  
If not today nor yet tomorrow  
Then some other day

I'll take seven lives for one  
And then my only father's son  
As sure as I ever did love him  
I am not afraid

This world is spinning around me  
The whole world is spinning around me  
All life is future to past  
Every breath leaves me one less to my last  
I wanna give you that's line with this one

Pull me under, pull me under  
Pull me under I'm not afraid  
All that I feel is honor and spite  
All I can do is set it right

Dust fills my eyes  
Clouds roll by and I roll with them  
Centuries cry  
Orders fly and I fall again

This world is spinning inside me  
The whole world is spinning inside of me  
Every day sends future to past  
Every step brings me closer to my last

Pull me under, pull me under

Pull me under I'm not afraid  
Living my life too much in the sun  
Only until your will is done

Pull me under, pull me under  
Pull me under I'm not afraid  
All that I feel is honor and spite  
All I can do is set it right

Pull me under, pull me under  
Pull me under I'm not afraid  
Living my life too much in the sun  
Only until your will is done

Oh that this too  
Too solid flesh would melt
