[Miracle:]

Friday evening
The blood still on my hands
To think that she would leave me now
For that grateful man

Sole survivor
No witness to the crime
I must act fast to over up
I think that there's still time

He'd seem hopeless and lost with this note
They'll buy into the words that I wrote

" This feeling inside me
Finally found my love, I've finally broke free
No longer torn in two
I'd take my own life before losing you"

[V:]

Feeling good this friday afternoon
I ran into Julian
Said we'd get together soon
He's always had my heart
He needs to know
I'll break free of the Miracle
It's time for him to go

This feeling inside me
Finally found my love, I've finally broke free
No longer torn in two
He'd kill his brother if he only knew

Their love renewed
They'd rendezvous
In a pathway out of view
They thought no one knew
They came a shot out of the night

[Sleeper:]

One last time
We'll lay down today

One last time
Until we fade away
One last time
We'll lay down today
One last time
We slowly fade away

As their bodies lie still
And the ending draws near
Spirits rise through the air
All their fears disappear, it all becomes clear
A blinding light comes into view
An old soul exchanged for a new
A familiar voice comes shining through

[N:]
This feeling inside me
Finally found my love, I'm finally free
No longer torn in two
I learned about my lie by living through you

This feeling inside me
Finally found my love, I've finally broke free
No longer torn in two
Living my own life by learning from you

We'll meet again my friend someday soon

[CNN report:]
" news in London, France, Russia and Italy have
deleted their lead story, all
anticipating the outcome of the man considered to be a
member of American
nobility. And as you can imagine, as the skies have
grown darker here over
Washington, the moon has grown darker as well and
people here are beginning to
resign themselves to the possibility that they are
witnessing yet another
tragedy in a long string of misfortunes. Reaction from
everywhere, from
Washington and certainly from around the world has
guess..."

[H:]
"Open your eyes, Nicholas"

[N:]
"AAAH!"
