It doesn't make any sense this tragic ending
In spite of the evidence there's something still missing
Heard some of the rumors told a taste of one's wealth
Did Victoria wound his soul? Did she bid him farewell?

One last time, we'll lay down today
One last time, until we fade away
One last time, we'll lay down today
One last time, we slowly fade away, away

Here I am inside his home
It holds the many clues to my suspicions
And as I'm standing here right now
I'm finally shown what I have always known

Coincidence I can't believe
As my childhood dreams slowly come true
Are these her memories awakened through my eyes?
This house has brought back to life

An open door I walk on through into his bedroom
Feeling as cold as outside, the walls disappear
To some woman who's screaming
A man pleads forgiveness, his words I cannot hear
