[N:]

Where did we come from?
Why are we here?
Where do we go when we die?
What lies beyond
And what lay before?
Is anything certain in life?

They say " Life is too short"
"The here and the now"
And " You're only given one shot"
But could there be more
Have I lived before
Or could tis be all that we've got?

If I die tomorrow
I'd be alright
Because I believe
That after we're gone
The spirit carries on

I used to be frightened of dying
I used to think death was the end
But that was before
I'm not scared anymore
I know that my soul will transcend

I may never find all the answers
I never understand why
I may never prove
What I know to be true
But I know that I still have to try

If I die tomorrow
I'd be alright
Because I believe
That after we're gone
The spirit carries on

[V:]

"Move on, be brave
Don't weep at my grave

Because I'm no longer here
But please never let
You memories of me disappear"

[N:]

Safe in the light that surrounds me
Free of the fear and the pain
My questioning mind
Has help me to find
The meaning in my life again
Victoria's real
I finally feel
At peace with the girl in my dreams
And now that I'm here
It's perfectly clear
I found out what all of this means

If I die tomorrow
I'd be alright
Because I believe
That after we're gone
The spirit carries on

[H:]

" You are once again surrounded by a brilliant white
light. Allow the light to
lead you away from your past and into this lifetime. As
the light dissipates
you will slowly fade back into consciousness
remembering all you have learned.
When I tell you to open your eyes you will return to the
present, feeling
peaceful and refreshed. Open your eyes, Nicholas."
