- John Myung

I. It's Raining

Under the sun, there is nothing to hide
Under the moon, a stranger waits inside
People disappear
The music fades away
Splashing through the rain
I'll dream with them one day

It's raining, raining,
On the streets of New York City
It's raining, raining, raining, deep in heaven

I may have wasted all those years
They're not worth their time in tears
I may have spent too long in darkness
In the warmth of my fear

Take a look at yourself
Not at anyone else
And tell me what you see
I know the air is cold
I know the streets are cruel
But I'll enjoy the ride today

It's raining, raining,
On the streets of New York City
It's raining, raining, raining deep in heaven
Raining deep in heaven

I may have wasted all those years
They're not worth their time in tears
I may have spent too long in darkness
In the warmth of my fears

As I walk through all my myths
Rising and sinking like the waves
With my thoughts wrapped around me
Through a trial of tears

Hidden by disguise, stumbling in a world

Feeling uninspired, he gets into his car
Not within his eyes to see, open up, open up
Not much better than the man you hate

li. Deep In Heaven (instrumental)

lii. The Wasteland

Still awake

I continue to move along

Cultivating my own nonsense

Welcome to the wasteland

Where you'll find ashes, nothing but ashes

Still awake

Bringing change, bringing movement, bringing life

A silent prayer thrown away,

Disappearing in the air

Rising, sinking, raining deep inside me

Nowhere to turn,

I look for a way back home

It's raining, raining, raining deep in heaven

It's raining, raining, raining deep in heaven

It's raining, raining, raining deep in heaven

It's raining, raining, raining deep in heaven
