Lyrics: Elisa C.Martin

Come with me across the forest  
I wish to see the terror in your eyes  
You can beg and you can shout  
But you know that nobody will help you

I'm breathing blood again  
Will I wake up from this nightmare?  
Please help me!  
The pain is killing me  
I won't survive

Look at me, you know my name  
You had never imagined it  
A human chill, a sweet deceit  
I will drag you up to the limit

I feel your fist's strike  
And the steel's tearing all my flesh  
No mercy!  
I only beg for death, I won't survive

Now wring the blood from your hands  
No! you don't regret you love your life  
You'll find another child

You're in my mind  
Your smooth body must be mine  
Breathing your breath  
You'll be my slave all this night

Ã¸Ã¸,Ã¸Ã¸,Ã¸my lovely child I'm at your feet  
take a look at me and tell me what you see  
I'm just a friend but I wan't be more  
My world's upside down and  
I've got nothing else to lose  
so I need to return to do it  
to feel your fear, to smell your flesh  
to drink your blood... bloodÃ¸Ã¸,Ã¸Ã¸,Ã¸
