Spread your wings
This is the sweet key to heaven
You trust in me
Always I'd know that we will together

Don't lie to me, don't make me cry
I want to tell you that I will never hide
Open your eyes, open your eyes

In your world my place is a lane far away
In the middle of your pride I'll leave this jail
Don't sing to the wind, dragging your sadness

I'm building dreams
Walking through my land
I come to rest on your mind
I want to live in the past
I'd like to be alive

I haven't Gods
And I don't understand
How can I live in this lie?
I'd prefer to be the dark
Beyond the moonlight

What can I do?
I can't find the door to madness
I'll wait for you
So I will bleed suffering and torment

Sometimes I fight, sometimes I die
I want to tell you that I will never hide
Open your eyes, open your eyes

In your world my place is a lane far away
In the middle of your pride I'll leave this jail
Don't sing to the wind, dragging your sadness

I'm building dreams
Walking through my land
I come to rest on your mind
I want to live in the past

I'd like to be alive

I haven't Gods
And I don't understand
How can I live in this lie?
I'd prefer to be the dark
Beyond the moonlight

I'm building dreams
Walking through my land
I come to rest on your mind
I want to live in the past
I'd like to be alive

I haven't Gods
And I don't understand
How can I live in this lie?
I'd prefer to be the dark
Beyond the moonlight

Oh, oh, oh, oh
Oh, oh, oh, no
