All my life is on me now  
Hail the pages turning  
And the future's on the bound  
Hell don't know my fury

You're all I need  
You're all I need  
You're all I need  
You're all I need  
You're all I need  
You're all I need  
You're all I need

And maybe some faith would do me good  
I don't know what I'm doing, don't know should I  
change my mind  
I can't decide, there's too many variations to consider  
No thing I do don't do no thing but bring me more to do  
It's true, I do imbue by blue unto myself, I make it bitter

Baby, lay your head on my lap one more time  
Tell me you belong to me  
Baby, say that it's all going to be alright  
I believe that it isn't

You're all I need  
You're all I need  
You're all I need  
You're all I need  
You're all I need  
You're all I need  
You're all I need

And maybe some faith would do me good  
And maybe some faith would do me good  
And maybe some faith would do me good
