Ladies and gentlemen, in their farewell performance,
the incredible Dreams

We didn't make forever.
We each got to go our separate way,
And now we're standing here, helpless,
Looking for something to say.
We've been together a long time.
We never thought it would end.
We were always so close to each other;
You were always my friend.

And it's hard to say good-bye, my love.
It's hard to see you cry, my love.
Hard to open up that door.
When you're not sure what you're going for.

We didn't want this to happen,
But we shouldn't feel sad.
We had a good life together.
Just remember, remember, all the times we had.
You know I'll always love you
You know I'll always care
And no matter how far (far I may go) I may go,
In my heart, you'll always be there

(It's so hard) hard to say good-bye, my love.
(Baby, it's so hard) hard to see you cry, my love.
(It's so hard) hard to open up that door,
When you're not sure what you're going for.

(It's so hard.)
Good-bye my love.
(Baby, it's so hard.)
We didn't make forever.
It's so hard.
I can feel there's something more.
(When you're not sure what you're going for.)
We've gotta grow,
We've gotta try,
Though it's hard, so hard

We have to say good-bye
Though it's hard, so hard
We have to say
We didn't make forever.
But I will always love you.
We didn't make forever.
But I will always love you.
It's so hard.
Baby it's so hard
It's so hard.
Baby it's so hard.
(Repeat till end of song)
