Di setiap langkahku kau slalu membayangi
Gerak gerikmu kadang buatku tersipu
Kini kurasakan ada getar di hati
Oh mungkinkah dirinya jatuh hati padaku

Sedari dulu ku memendam rasa
Sudah kucoba tuk dekatimu juga
Oh ingin kuungkapkan tapi malu rasanya
Berkali kucoba sungguh aku tak bisa

It's been a while since I have this feeling for you
Every time I get closer my heart beat like a song
From that time I realize I think I'm falling in love, love,
love
I think I'm falling in love, love, love
I think I'm falling in love, love, love
I think I'm falling in love, love, love
I think I'm falling in love

Teringat slalu gelak tawa manismu
Oh dari jauh bahagia sudah hatiku
Oh Tuhan tolonglah dekatkan dia denganku
Jadikan dirinya pendamping dalam hidupku

It's been a while since I have this feeling for you
Every time I get closer my heart beat like a song
From that time I realize I think I'm falling in love, love,
love
I think I'm falling in love, love, love
I think I'm falling in love, love, love
I think I'm falling in love, love, love
I think I'm falling in love

I think I'm falling in love, love, love
I think I'm falling in love, love, love
I think I'm falling in love, love, love
I think I'm falling in love
