Effie's Version

You want all my love and my devotion
You want my love and soul right on the line
I have no doubt that I could love you, forever The only
trouble is
You really don't have the time

You've got one night only
One night only
That's all I have to spare
One night only
Lets not pretend to care

One night only
One night only
Come on big baby come on
One night only
We only have till dawn

In the morning this feeling will be gone
It has no chance going on
Something so right has got no chance to live
So let's forget about chances
It's one night I will give

One night only
One night only
You'll be the only one
One night only
Then you'll have to run (ooh ohh)

One night only
One night only
There's nothing more to say
One night only
Times getting away

One night only
One night only
One night only.....
