Announcer: And now the mellow sounds of jimmy early

Jimmy Early: I meant you no harm

I never meant to make you cry

You were the only one I've ever loved in my life

And though its hard for me to show it

I have to let you know it

Cuz darling I love you more each day

But the words got in my way

Oh I meant you no harm

And I would die

If you ever said goodbye

I love you, I love you

I meant you no harm

I never never meant to make you cry

You are the only one I'll ever love in my life

Hold it, hold it, hold it

I cant do it, I cant sing no more sad songs

One two three hit me

Bop be bop, bop be bop be deed bop

Bop be bop, bop yeah

Bass man, huh, come on up

One two three hit me

Uh, sound good, yeah

Saxophone on the floor, one two three, hit it

Yeah, ow, uh, come on

Horns hit it, uh, yeah

Hey girl lets rock with jimmy early

Got a home in the hills, Mercedes benz, hot swimming pool, got lots of friends

Got Clothes by the acre, credit to spare, I could wake up tomorrow and find nobody there

But Jimmy want more, jimmy want more, jimmy want, jimmy want, jimmy want more

Jimmy want a rib, jimmy want a steak, jimmy want a piece of your chocolate cake

And more than all that jimmy want a raise, cuz

Jimmy got soul, Jimmy got soul, Jimmy got, Jimmy got, Jimmy got soul

Sooner or later

The time comes around

For a man to be a man to take back his sound

I gotta do something to shake things up
I like Johnny Mathis but I cant do that stuff
Cuz Jimmy got soul, Jimmy got soul, Jimmy got S-O-U-L
soul
I cant do rock
I cant do roll, what I can do baby is show my soul,
Cuz Jimmy got, jimmy got, jimmy got SOUL
