Effie's Version

You want all my love and my devotion  
You want my love and soul right on the line  
I have no doubt that I could love you, forever The only  
trouble is  
You really don't have the time

You've got one night only  
One night only  
That's all I have to spare  
One night only  
Lets not pretend to care

One night only  
One night only  
Come on big baby come on  
One night only  
We only have till dawn

In the morning this feeling will be gone  
It has no chance going on  
Something so right has got no chance to live  
So let's forget about chances  
It's one night I will give

One night only  
One night only  
You'll be the only one  
One night only  
Then you'll have to run (ooh ohh)

One night only  
One night only  
There's nothing more to say  
One night only  
Times getting away

One night only  
One night only  
One night only.....
