mmmm
yeah yeah
listen
I know you have questions
same ones as me
how long has it been
how long will it be
when will come the mornin
we'll drive the night away
tell me when will come the mornin
of a brighter day
yeah
woah patience
little sister
patience
little brother
patience, patience yeah
take eachother by the hand
yeah yeah
woah
patience
little sisters
patience
little brothers
let us walk together yeah
to the promise land
yeah

Theres a river
to cross
And a mountain to climb

Patience patience
its gonna take some time
yeah

We must walk
in peace
its the only only way yes

If we wanna see that morning
of a brighter day

Patience little sister
Patience little brother
Patience patience
we're gonna find a way

Patience little sisters
Patience little brothers
Until the morn of a brighter day

woah patience till the the brighter day

woah patience till the brighter day

come on come on come on sing it

gotta have some patience
