Someday the truth of pain  
I know you'll understand  
That every single day is one day closer to the end

I've lost my patience  
But It is time for you to see  
All of you who's fighting but your deeds ain't worth a  
thing

Look at me a man who's free  
Every day's the same  
For you but not for me

Breaking the chains  
Seven fires burn within your mind  
Breaking the chains  
Seen from my eyes, you live a lie  
Breaking the chains  
One step higher, It's time you'll see  
Breaking the chains  
Tomorrow may be, the last for you and me

I know how you feel  
I've been there by myself  
But when this universe explodes, I will be somewhere  
else

Why can't you tell me  
What happiness can be  
Decades made of misery but finally your free

Look at me a man who's free  
Every day's the same  
For you but not for me

Breaking the chains  
Seven fires burn within your mind  
Breaking the chains  
Seen from my eyes you live a lie  
Breaking the chains  
One step higher It's time you'll see  
Breaking the chains

Tomorrow may be, the last for you and me
