"Everybody's Doin' It"

Everybody's doin' it
You could do it too
Jumpin off a bridge now
To see just what you do

[Chorus:]

Cause if you want more, that's just what you do now
baby
more, that's just what you do if you want
more, that's just what you do now baby
more, that's just what you do when you want
When you want,
when you want more
Cause you want more,
and you want more
and you want more

Russian roulette now
We'll pass the gun to you
See just what your made of
See just what you do

(Ahh)
Cause you want more
Cause you want more
Cause you want more
Cause you want more

[Chorus]
