"Let It Grow"

Let it grow let it blow let it grow
Let it go let it grow let it grow

I like to watch it grow so sweat
I like to watch the growing of the meat
I like to watch it grow so slow
I like to watch it when it grows

Let it grow let it blow let it grow
Let it go let it grow let it grow

I like to watch it grow so fast
I like to pick up in aghast
I like to watch it grow so slow
I like to watch when it grows

Let it grow ooh yeah
Ooh yeah embryo embryo embryo
