Satanic replicator
Hacking humanity
Consciousness parasite
Soul virus
Luxifer Meme
Corrupt their minds

Sophisticated sensor of humans
Resetting souls
Adjusting hearts
To output dead cold components
Beliefs magnet triggering His Will

Join. Serve. Obey. Spread

Greedy network of humans
Upgrading lives
Processing minds
To reboot empty flesh database
Faith unit storing His Will

Concentration
Organisation
From tribes to the last Empire
System arithmetic
Mimetic to memetic
All of us are His slaves

Infernal rotation of humans
Calibrating brains
Tightening feelings
To fix rigid bio spare parts
Centrifugal force screwing His Will
Luxifer Meme

Infest their brains

Mind obsession
Chronic dysfunction
From psychosis to religion
System arithmetic

Mimetic to memetic

Manufacturing egregors

To control their destiny

Consciousness parasite

Soul virus

Luxifer Meme
