Reverse intro (detuning their guitar)

Wooo

I'm a rag tag fag?

the kind you can not flack (yeahhh)

got the vietcong gone

the kind that dropped the bomb (ohhhhhhh)

dont kill the liquid when i split

Call me Chickenshit

Got my eyes on the prize

And make you realise

Meltdown (i got it up my nose)

Meltdown (i got a fuck you pose)

Meltdown (i got to be a prop)

Meltdown (cos when meltdown baby lose my drop)

When i met feeling fresh

Call me davey crocket

licked osama and obama have fucked the dilah lami

?

Coming from

?

Black lips.com in vietnam

Meltdown (i got it up my nose)

Meltdown (i got a fuck you pose)

Meltdown (i got to be a prop)

Meltdown (cos when meltdown baby lose my drop)

Arrrrrrggghhhh

(Crazy reversed outro, the whole track some bits are ran backwards some forwards, some delay reverb and fuzz are used)
