Rising... from the grave
Killing... souls to save
Godsent, to purify the flesh
Christ and Hitler running by their side
Satanus sextion!

Grail chalice melting solaris
Earth jewelry Heroin secrecy
Sodom malice waffen whore Miss
Fix, load, order, punish, for the prophecy

Penis ablation kommando of salvation
OK, get on coke, ready to strike
Jesus on crack thanks sathanas pack
Kill, whip, fuck, torture for the majesty

Rising... throne of pain
Killing... maim maniacs insane
Godsent, to purify the flesh
Christ and Hitler high on the ride
Satanus sextion!
