(Verse 1)

Stone by Stone
I constructed a cathedral
Stone by stone
Built it up and wrecked it down
Stone by stone
Everyone is looking to wear the crown
Stone by stone
Even though they got it all

(Chorus)

It's getting on to you
Can I plead to give the strength below
You called me out to lead me on
I'm ready
Please forgive

(Verse 2)

I'm running a marathon of glass shoes
I'm hiding behind windows
Stone by stone
Weather headed up or down
Stone by stone
Always looking never found
Stone by stone
Even though they got it all

(Chorus)

Ooooooh
Oooooohh
Oooooohh,
Ooooooh
Ooooooo
Ooooooo

(Bridge instrumental)

(Chorus x2)

I'm running a marathon of glass shoes

I'm hiding behind windows
Stone by stone
Build it up and watch it fall
