He said: patience is the key to For a change to ensue Warm the arctic cold And drop down To the ground Wait for the sound Of the cold

Take these words You'll have your day Live it as your last

He said: love will build your heart and Bring you up from the sand Now i wish to go Accept you bravery For it is all we are It's all we are

Take these words Beyond your way You will find your Now...

He said: faith, distrust, and reason With this you'll be kneeling Before the world And drop down To the ground It's all we are It's all we are

Take these words Be on your way You will find your Now....
