Climbing
Building us up
Tearing me down
Lifted back up we are climbing
All of this time
Drifting right back to the ground

Suddenly, suddenly, suddenly

Questioning, and saying
Our opinions, they're failing
They're constantly changing
Our ignorance, remaining
We're hoping, and waiting
We're living, but dying
While tring to find out
My meaning isn't planned out
Come to the conclusion
Might as well be an illusion
While trying to find out
I did nothing, but shut out
