YOU feel SO DROWNED when YOU USE your OWN MIND
WELL I feel SO DROWNED too WHEN YOU bring ME
DOWN

I've never been safe from what you're gonna be on my
own

The end of life now fuels the life of the living

I've never been safe from what you're gonna be on my
own

The end of life now fuels the life of the living

YOU feel SO DROWNED when YOU USE your OWN MIND
WELL I feel SO DROWNED too WHEN YOU bring ME
DOWN

I've never been safe from what you're gonna be on my
own

The end of life now fuels the life of the living

I've never been safe from what you're gonna be on my
own

The end of life now fuels the life of the living

I WILL MISS EVERYTHING. TOO UNDERTAKEN.
LIFE MAKES US STRONGER BEFORE
SOME CHOKE HER BEFORE
SO GOOD

This lost piece of heart and soul

Is so remarkable to me

I build from that

Trapped in your thoughts

Trapped in memories

Trapped in life

Where you fought that

Before you tunnel yourself in

Remember we are here till the end

Before you tunnel yourself in

Remember we are here till the end

Before you tunnel yourself in

Remember we are here till the end

Before you tunnel yourself in

Remember we are here till the end
BEFORE you TUNNEL yourself IN here RIGHT here
WHAT they may change

I WILL KEEP. WHAT YOU GAVE. TO ME THERE.
I WILL TAKE. WHAT YOU TAUGHT. TO ME THEN.
I WILL KEEP. GOD SO GOOD.
I WILL KEEP. WHAT YOU GAVE. TO ME THERE.
I WILL TAKE. WHAT YOU WANT.
JUST TO MAKE. ONE MORE THING.
GOD SO GOOD.
