"All I Have"

Visit "[All I Have](#)" on MotoLyrics.com

I have seen you Lord
I have seen your glory fall
I have come to know you
I want more of your love
All I have
All I am
I give it all to you
Take all I have
All I am
I want to be more like you Lord

I have felt your warm embrace
Here in the secret place

I've come to know you Lord
I stand amazed
Here at your wondrous grace
I fall before you Lord

CHORUS

Such foolishness
To love anything more
Such forgiveness
You gave me life forevermore

CHORUS
