Symphony of tears
Destiny is drawing near
Is this courage or is this fear?
Eternity reasts within
The gift if life i freely give

Prechorus
Will things be differnt
Or will they remain the same

Chorus
It's gonna be alright
Everything in sight
Destiny is help in my hand
I live to die
Symphony of tears

Verse 2
Now i rise
Victory conquered sin and death
The grave remains desolated

Prechorus
Will things be differnt
Or with they remain the same

Bridge
Death where is your sting?
You hold no control over me
This cross-i must bear
The answer to all your fears
